Projected On-Duty Strength (31 May 1965)

84

II. T/O Adjustments

All six of the positions previously identified for removal from the OBI T/O have been deleted.

1/ OBI will have three retirements in July 1965.

1990

12/8/80

12 May 1965

III. The current on-duty strength of the Office of Basic Intelligence is one under its authorized T/O of 84 positions. In addition to a draftsman trainee now in process, OBI anticipates it will require one professional and one clerical to offset normal attrition projected for the remainder of the year. Further, three persons will be required to replace those professionals scheduled to retire in July.
